Unpublished Reports

- 2008 Cultural connections: Purnululu National Park – World Heritage area. Final report to Department of Environment and Conservation, Western Australia, 63pp.
Third and final stage of project begun in 2005. Analysis of various data sources including mythology, previous anthropological mapping and current testimony, plus discussion of associated issues concerning language groups, their territories and inter-relations, leading to findings on traditional connections to Park and Conservation Reserve.
- 2008 Mardigan people's native title claim (QC07/1): anthropological report. Report to Queensland South Native Title Services, 122pp.
Report on native title claim group's continuing cultural connection to claim area addressing matters set out in Queensland Government guide.
- 2007 Cultural connections: Purnululu National Park – World Heritage area. Report to Department of Environment and Conservation on research period July to October 2006, 51pp.
Stage 2 of project begun in 2005. Discussion of progress of research, analysis of models of traditional ownership put forward by two competing Aboriginal organisations, review of bases for attachments claimed by families, and discussion of some associated ethnographic and conceptual issues.
- 2007 Peer review of 'A report on traditional Aboriginal land interests Yelarbon – Cecil Plains – Clifton – Warwick – Stanthorpe' by Natalie Kwok. Report to Queensland South Native Title Services, 6pp.
Peer review of a preliminary native title connection report.

- 2005 Cultural connections: Purnululu National Park – World Heritage area. Report to Department of Conservation and Land Management on research period July to August 2005, 38pp.
A review of previously collected research materials complemented by some interview data concerning competing perceptions of traditional ownership and aspects of Aboriginal cultural attachment and use of Purnululu National Park, East Kimberley. First stage of a larger project.
- 2003 Briefing paper regarding the Minister's 'Discussion paper – proposal to strengthen the Aboriginal Benefits Account Advisory Committee arrangements', 4pp.
Evaluation of reform proposals put by the Minister for Indigenous Affairs regarding administration of moneys due to Aboriginal interests under the Aboriginal Land Rights (Northern Territory) Act.
- 2000 Texts and visual resources for the Gallery of Aboriginal Australia. Report to the National Museum of Australia, 32pp + visual documentation.
Brief historical narratives on four indigenous regions, Aboriginal protest in southern Australia, and international indigenous rights, with supporting resources, for preparation of displays in the new National Museum.
- 1999 Social context of contested traditions: Jabiluka mine area. Report to the Aboriginal Areas Protection Authority (Northern Territory), 29pp.
Description of social and historical background to disputed Aboriginal concerns regarding sacred sites in vicinity of proposed Jabiluka uranium mine.
- 1998 A Jawoyn management boundary in Kakadu National Park. Report to Parks Australia North, the Northern Land Council and the Jawoyn Association, 55pp + maps.
Explanation of principles governing Aboriginal group attachments to land in the Kakadu region, with analysis of the conceptual difficulties and empirical uncertainties affecting their application across a boundary zone between northern and southern language groups. Traditional affiliations and management histories for thirty locations compiled from documentary and oral sources. Intended to provide ethnographic guidance for Park managers' consultations with Aboriginal owners.
- 1996 Cultural resource management and the oral heritage of Kakadu National Park. Report to the Australian Nature Conservation Agency, 41pp + annotated bibliography.
A review of all research carried out to date in Kakadu that recorded Aboriginal knowledge, with annotated bibliography and proposals for reorientation of future research priorities. Report also on oral heritage training program carried out by author.
- 1996 Sites of significance in Kakadu National Park Stage II west of the South Alligator River. Report to the Aboriginal Areas Protection Authority, 6pp + map.
Field identification of Aboriginal sites of significance.
- 1996 Site documentation: Kakadu National Park Stage III (predominantly Gimbat), Kakadu National Park Stage II (west of the South Alligator River). Report to the Aboriginal Areas Protection Authority, 115pp.
Data on Aboriginal sites of significance extracted from existing field notes and tapes.

- 1992 Report on registration of Sickness Country, Aboriginal Areas Protection Authority, 50pp + maps.
Statement of current Aboriginal knowledge of region of high sacredness including Coronation Hill, with historical analysis of previous anthropological modelling of traditional custodianship, inter-relation of concepts of sacredness, proposals for management regime, mapping of sites and area boundaries.
- 1990 Historical perspective: appendix to Aboriginal Areas Protection Authority submission to Mr Justice D.G. Stewart and Resource Assessment Commission regarding Kakadu Conservation Zone inquiry and report under Section 10(4) Aboriginal and Torres Strait Islander Heritage Protection Act, 37pp.
Analysis of historical reporting of Aboriginal concerns for sites in the Coronation Hill area, detailing inconsistencies and the elaboration of tradition. Appended to submission to Federal Government inquiries prior to final decision on mining at Coronation Hill.
- 1989 Mt Bunday Station 2nd Cavalry Regiment training area and field firing range. Consultant's report on anthropological significance, Anutech environmental impact assessment project, 26pp.
Field survey of Aboriginal sites of significance for Environmental Impact Statement.
- 1987 Gagudju Association membership. Report to the Gagudju Association, parts 1–3, 178pp.
Formulation of new membership rules and comprehensive membership survey for Aboriginal association receiving mining royalties under Land Rights Act. History of Association's establishment and membership determinations, Aboriginal principles of entitlement by traditional ownership, descent group recruitment and life history explained. Detailed survey of clan territories, extensive genealogical recording of relevant clan groups, some life history recording. Reform strategy proposed in terms of requirements of relevant section of legislation.
- 1982 Everybody bin all day work. Report to the Australian National Parks and Wildlife Service on the social history of the Alligator Rivers region of the Northern Territory, 1869–1973, 128pp.
Identification of main themes of Aboriginal – non-Aboriginal interaction and their impacts on Aboriginal life. Part of base-line data for Project to Monitor the Social Impact of Uranium Mining, and for Kakadu National Park management.
- generally: various minor reports on aspects of Aboriginal history, culture and society in the Kakadu area to the Gagudju Association, Northern Land Council, Parks Australia North, Australian Legal Aid Office etc.

Teaching

- 2005 Convened and part-taught one-semester course entitled 'The Business of Applied Social Research', within the Masters of Applied Anthropology and Participatory Development, ANU.
- 2004-5 Convened and part-taught one-semester course entitled 'Development Dilemmas for Indigenous Australians', within the MAAPD, ANU.

- 2001-3 Guest lecturer for course entitled 'Social Impact Studies in the Project Cycle', within the MAAPD, ANU.
- 1996 Organised and taught a course for Aboriginal trainees on recording oral history and heritage, Kakadu National Park, Northern Territory.
- 1986 Tutored first and second year undergraduate Anthropology classes at University of Queensland.

Administration

- 2004 Co-convenor (semester 1) and convenor (semester 2) of public seminar program at Centre for Aboriginal Economic Policy Research, ANU.
